Report of Principal and School Improvement Council

Caughman Road Elementary is a successful school that benefits from the hard work and determination of our students, teachers, parents, staff and community to make our school GREAT. Our curriculum is rigorous with challenging activities for developing students. Instructional programs include various special education services, Gifted and Talented, art, music, physical education, dance, technology, guidance, Accelerated Reader, chorus, strings, and Spanish. A comprehensive after-school tutoring program is provided for students in third through fifth grade that needed extra support in the core subjects. The Accelerated Reader program continues to enhance classroom instruction for all students in grades 1-5. This year, the students at Caughman read 18,387 books with a total of 66,405,059 words. Adequate time for teacher planning and training remains a challenge to meeting the needs of students.

The school provides a safe and nurturing environment promoting character development through regularly scheduled guidance classes. The guidance classes along with the Positive Behavior System have improved the overall atmosphere and behavior of the entire school. We received recognition as a state PBIS (Positive Behavior Intervention and Support) ribbon winner for the 2009, 2010, and 2011 school years. Exposure to a variety of careers is integrated within all subjects as well as provided by the guidance counselor through classroom guidance activities. Career Day, DARE, Parent University Nights, community service projects and parent programs like Caughman Library Night and Reading with the Columbia Blowfish bring the school and community into a partnership that supports both.

The district initiative providing a Montessori program option for all Richland One parents is a magnet program for students ranging from 3 year olds through fifth grade. The Montessori program is well received by the community and we have a waiting list for admission at all times. The school within a school model has worked well at Caughman and this year we bridged our second group of Montessori fifth graders that will move on to middle school in the fall.

Numerous Parent University Nights provided parents with opportunities to share information on ways they can support and assist the students at home. Parent participation in school activities such as assemblies, special events, and PTO meetings has increased dramatically, but involvement in the day-to-day activities of the school does not come easily. The parents on the PTO/SIC Board are truly committed to making this happen. The Caughman Road journey to support all children and enable them to be successful, fulfilled learners continues.
